## David trusts....even in hiding

*Note to parents:*

*It will be helpful to tell the background story in 1 Samuel chapters 21 – 24 before this lesson. This psalm was written during the time that David was running and hiding from King Saul.*

Bible reading: Psalm 27

### Discussion

David was in hiding when he wrote this psalm. Can you think of a time when you were tempted to hide because of trouble? (*You can talk about the current global pandemic keeping everyone indoors*). How did you feel in this situation?

How should we react in such situations? Let's take a clue from David in this psalm;

- Confess the right things: vs 1-3
- Stay in the presence of God (prayer, worship): Vs 4,5
